# INTERNATIONAL SEARCH REPORT

International application No.

PCT/US04/06246

Box shee	No. II	Observations where certain claims were found unsearchable (Continuation of item 2 of first	
This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following			
reasons:			
1.		Claims Nos.: because they relate to subject matter not required to be searched by this Authority, namely:	
2.	$\boxtimes$	Claims Nos.: 24 because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:  Claim 24 is missing	
3.	6.4(a).	Claims Nos.: because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule	
Box	No. III	Observations where unity of invention is lacking (Continuation of item 3 of first sheet)	
This	Internati	ional Searching Authority found multiple inventions in this international application, as follows:	
1. 2. 3.		As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.  As all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.  As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:	
4.		No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:
